Cutting Machine

Innovation—machines can work as long as 15 meters!

Your trust is our treasure!

Portable CNC Cutting Machines

Demo Unit:

500mmX500mm

Portable CNC Cutting Machines

Frame can be extended by 2 meters section!

Your trust is our treasure!

Portable CNC Cutting Machines

15 m long frame made for middle east

Portable CNC Cutting Machines

Portable CNC Cutting Machines

A mobile demo and metal workshop, Everything in a trailer!

B-4A Series

Bench CNC Cutting Machine

Central Drive with Ball Lead screw

G2 Series

Gantry CNC Cutting Machine

L1 Series Laser Router

Innovation makes us different!

Newly developed products in 2009

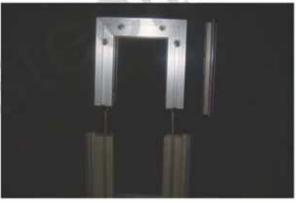

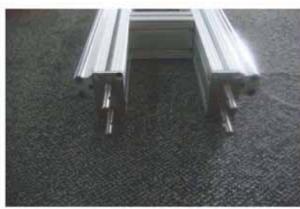

Portable CNC Cutting Machine

Newly Developed

Extendable Frame—Like Tetris!

Portable CNC Cutting Machines

Portable CNC Cutting Machines

Newly Developed

Automatic Torch Height Control

Capacitive & Arc Voltage Sensors

Your trust is our treasure!

Portable CNC Cutting Machines

Products Under Development

- Portable CNC for sign making
- Portable CNC for pipe cutting
- Portable CNC for welding
- Small Bench CNC
- Small Gantry CNC

Global Trade Shows 2010

Trade show	Country	Date
2010 SteelFAB	Sharjah - UAE	2010.01.11-2010.01.14
IMTEX 2010	Bangalore - India	2010.01.21-2010.01.26
Japan International Welding Show 2010	Tokyo - Japan	2010.04.21-2010.04.24
Mecanica 2010	São Paulo - Brazil	2010.05.11-2010.05.15
AWS Weldmex 2010	Monterrey - Mexico	2010.05.11-2010.05.13
CBAPKA 2010	St. Petersburg - Russia	2010.05.19-2010.05.21
THE 15TH BEIJING ESSEN WELDING & CUTTING FAIR	Beijing - China	2010.05.27-2010.05.30
EuroBLECH 2010	Hanover - Germany	2010.10.26-2010.10.30
FABTECH 2010	USA,, Las Vegas	To be defined

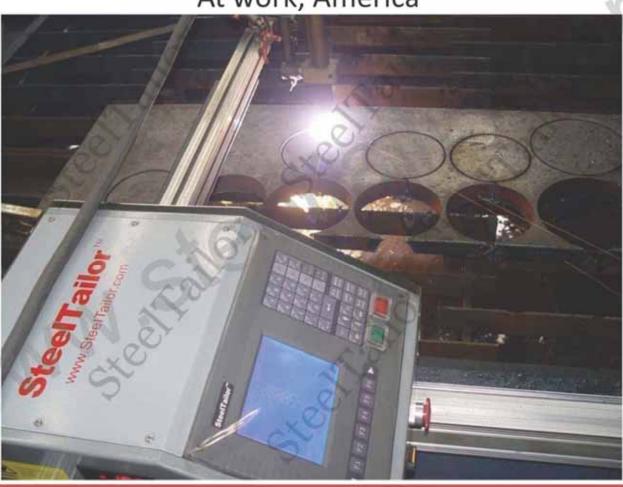

Till the end of Sept. 2009,
SeelTailor machines are working in
over 64 countries

Our mission: make SteelTailor work in every corner where cutting is!
